Re: 6483 Bold Venture Trail

Dear Laura:

This is to confirm our phone conversation of today in regards to the property at 6483 Bold Venture Trail. We do not represent Mr. and Mrs. Dibella in this matter and the letter was sent before that representation was confirmed. I do believe they are represented at this time, but I am without knowledge as to whom their counsel is currently. By copy of this letter to Mr. and Mrs. Dibella I am making them aware of your correspondence.

If you have any questions, please contact our office.

Sincerely,

J. Robert Boyd
